Save the Lies

Gabriella Cilmi

I'd like To find something I got my best dress on And I'll play From "Dusk Till Dawn" And "When You Sleep Tonight" I'd hold my pillow tight I'd turn All the lights off Oh, I say, don't say That you're up to nothing Your sure up to something Today, boy I'll start a laughing Cause you will pay Save the lies I'm a saying I might get a bit rough If he ain't good to me Oh, good to me So I say with a smile Cause I know That he'll be good You better Be good to me You better be good You better treat me nice Or I'll come back to bite Boy, just you wait And see I'll throw you In skin deep into reality No this ain't fantasty Oh, I say, don't say That you're up to nothing Your sure up to something Today, boy I'll start a laughing Cause you will pay Save the lies I'm a saying I might get a bit rough If he ain't good to me Oh, good to me So I say with a smile Cause I know That he'll be good You better Be good to me You better be good
