

## Sit in the Blues

Gabriella Cilmi

Baby listen, everytime you asked me,  
I gave you my invitation for one night,  
But you never thought of me more then twice

Cause there ain't nothing that I could speak  
You give and you take then your done with me

I sit in the blues, waiting for you, who I'll never see  
There's never good news no not bout you  
Cause something don't feel right  
There's nothing to choose I can't refuse my turn to try  
I guess I lose boy ain't that right

I'd hate to lie, my friend don't deny  
Cause what you see real even though you can't feel  
Count back from 5, 4, 3, 2, 1 times  
You'd say you'd drop by, but I'm a fool everytime

Cause there ain't nothing that I can speak  
You give and you take then you're done with me

I sit in the blues, waiting for you, who I never see  
There's never good news no not about you  
Cause something don't feel right  
There's nothing to choose I can't refuse my turn to try  
I guess I lose boy ain't that right

The way I feel  
And what I know  
Cause I can't explain  
What's going down  
The way I feel  
And what I know  
Cause I can't explain why I can't let go
