

# Terrifying

Gabriella Cilmi

I know you think I'm terrifying  
But honey I ain't even trying  
I'll cook your dinner while you're waiting  
I'm sure you'll find it's fascinating

Hey little dog don't you know, I got a feeling that you're waiting for your tin of gold  
Oh yeah, baby, baby don't you know, you don't need money if you really wanna lose control

I believe there's a god, making my time, baking my bread  
I can see it's a sign think of a rhyme shaking my head  
Oh, I believe there's a god, making my time, baking my bread  
I can see it's a sign think of a rhyme shaking my head

I know you think I'm terrifying  
But honey I ain't even trying  
I'll cook your dinner while you're waiting  
I'm sure you'll find it's fascinating

God bless this stubborn soul she cried  
He lived a lonely life and died

Hey little dog don't you know, I got a feeling that you're waiting for your tin of gold  
Oh yeah, baby, baby don't you know, you don't need money if you really wanna lose control

Hey little dog don't you know, I got a feeling that you're waiting for your tin of gold  
Oh yeah, baby, baby don't you know, you don't need money if you really wanna lose control

Lose control
