The Sting

Gabriella Cilmi

All of my life I've been running from the sting Stole the honey from the hive And the bee's still following me

Lend some sugar to your neighbor Do a girl a favor I might return it later I'm salt It's really not my fault My heart's on my t-shirt Maybe you could keep it

If the devil were a woman I wouldn't have to run away If the devil were a woman Maybe she'd understand me

All of my life I've been running from the sting Stole the honey from the hive And the bee's still following me

All of my life I've been running from the sting Stole the honey from the hive And the bee's still following me

One, open your heart fly Two, never retreat see Three, go miss a long time Four, I will be dreaming

I, I just wanted something sweet
And nothing in my kitchen
So I had to look for something
So I took the road less traveled in
A world so appetizing
I had to lick the icing

If the devil were a woman I wouldn't have to run away If the devil were a woman Maybe she'd understand me

All of my life I've been running from the sting Stole the honey from the hive And the bee's still following me

All of my life I've been running from the sting Stole the honey from the hive And the bee's still following me

Why do good things happen to bad bad people Why do bad things happen to good good people

Why do good things happen to bad bad people Why do bad things happen to good good people

If the devil were a woman I wouldn't have to run away If the devil were a woman Maybe she'd understand me

If the devil were a woman I wouldn't have to run away If the devil were a woman Maybe she'd understand me Maybe she'd understand me

All of my life I've been running from the sting Stole the honey from the hive And the bee's still following me

All of my life
I've been running from the sting
Stole the honey from the hive
And the bee's still, bee's still following me
All of my life
I've been running, I've been running

The bee's still following me
(All of my life
I've been running)
And the bee's still following me
And the bee's still, the bee's still following me
