

# Human

Gabrielle Aplin

Show me that you're human, you won't break  
Like a thief in the light, you can't hide, you can't hide from your shadow  
It's the only thing you own  
And you don't need to pretend that perfection is your friend  
'Cause we're all broken.  
We all end up alone

Show me that you're human, you won't break  
Oh, love your flaws and live for your mistakes  
Beauty's on the surface wearing thin  
Come closer show the marks upon your skin  
Show me that you're human  
Show me that you're human

You're a spark without flame  
I'm a desert in the rain,  
You're a mountain and I'm a stepping stone  
So walk away from your pride  
It's a demon in disguise  
And it won't help you to calm the swelling tide

Oh  
Show me that you're human, you won't break  
Oh love your flaws and live for your mistakes  
And beauty's on the surface wearing thin  
Come closer show the marks upon your skin  
Show me that you're human  
Oh oh oh

Show me that you're human, you won't break  
Oh, love your flaws and live for your mistakes  
And beauty's on the surface wearing thin  
Come closer show the marks upon your skin  
Show me that you're human

Oh oh oh oh oh...

Show me that you're human, you won't break  
Oh, love your flaws and live for your mistakes  
And beauty's on the surface wearing thin  
Come closer show the marks upon your skin  
(Show me that you're human)  
Show me that you're human, you won't break  
Oh, love your flaws and live for your mistakes  
And beauty's on the surface wearing thin  
Come closer show the marks upon your skin  
Show me that you're human
