

All I Want

Gabrielle

Diamond rings I got it
Got everything I need
Everything that pleases me
But what I don't have, you got it
I see in you
I do what I gotta

R: All I want, all I need
I want you to say you love me
I'm wanting to be your baby
You're all I want
You're all I need
The truth is you'll never love me
But it still doesn't stop me
From wishing I was your lady, be my everything

Platinum cards get me what I want
But I can't buy you
They say that money can't buy love
I wish that it could
I know that I would
Pay the highest price
To have you in my life
