

# Heartbreaker

Gabrielle

You haven't got a clue  
'Cos all that you do  
Is for yourself  
I, I should have known  
'Cos you set the tone  
And left me on your shelf

You were playing with me  
You didn't give a damn  
About my needs  
And you took what you needed  
Did you think my love  
Had come for free

Go take a piece of my heart  
Take a piece of my heart  
Take a piece of my heart  
Take a piece of my heart  
Take a piece of my heart  
Take a piece of my heart  
Take a piece of my heart  
Why don't you go

You were playing a game  
So baby I did the same  
You could not tell  
What you didn't know  
Is when you left me alone  
I wasn't by myself

You were playing with me  
You didn't give a damn  
About my needs  
And you took what you needed  
Did you think my love was guaranteed

Go take a piece of my heart  
Take a piece of my heart  
Take a piece of my heart, heartbreaker  
Go take a piece of my heart  
Take a piece of my heart  
Take a piece of my heart  
Take a piece of my heart  
La la la la, la la la la (2x)

Go take a piece of my heart  
Take a piece of my heart  
Take a piece of my heart, heartbreaker  
Go take a piece of my heart  
Take a piece of my heart  
Take a piece of my heart  
You always get what you want  
Take a piece of my heart  
Take a piece of my heart  
You always get what you want
