

Make love to you

Gabry Ponte

Tell me you'll be mine
i swear i love you to...
the end of time
i never felt like
this before
you make me feel
i'm really in love
this time I hope
I'll make it thought
make love to you
and make you mine
you are the sunshine
in the sky
you are the joy
of being alive
this time I know
I'll make it thought
make love to you
and you and you
and you
and make you mine
