

My Butterfly

Gabry Ponte

Fly or never fly, across the sky fly forever fly my butterfly f
ly or never fly,
across the sky fly forever fly my butterfly everytime i close
my eyes
i can fly across the sky i spread my wings i feel fine i see m
y world so blue
and no doubts i'd seel my life for a dream come true
live one day and then i'll die like a butterfly. I fly, i fly,
i fly
