TERRA LIBERA DALL'OMBRA DELLA GUERRA, TERRA LIBERA DALL'OMBRA DELLA GUERRA...

People playing games with no winner but death
to be winner on a day when they all die in the same bed fighting for a coin,
forgetting things without a price dying for a flag, in the name of someone's lies homeless in a world where having's more than being

Killing lives and lives not understanding what this means looking for a god to tell them why they should fight even ready for the war, but not say if it's wrong or right.

TERRA LIBERA DALL'OMBRA DELLA GUERRA, TERRA LIBERA DALL'OMBRA DELLA GUERRA...
