

# You Are A Liar!

Gaia Epicus

No more blood will flow when I get the power  
Everyone will have the right to say what they want  
No more! No more illusions you will hear the truth this time  
Just give me your vote and I will save your soul

Falling into the same trap again  
Never learning so hear me when I say  
You are a liar!

I see you on my TV, I hear the things you say  
Bla bla bla bla, bla bla bla bla bla  
You keep making promises that you will never keep  
Corruption is the game but I don't want to play

Liar, liar, pants on fire!

You are a liar and liars will fall  
Your aiming higher but I'm gonna take you down
