

Reservation

Gaia Mesiah

I don't feel freedom
I don't feel free
I feel just the cage you took everything from me

You said to me I'll be happy
You're gonna do everything for me

Don't close me in the reservation
I'm waiting for my name for salvation

My weapon is not love
My weapon is the bomb
I'd like to bomb you baby
Bomb you in the home

Otočíš kohoutkem a přiteče ti voda
A jednoho dne otočíš kohoutkem a přiteče ti voda s anthraxem od
