

# I Do Believe

Gaither Vocal Band

Some say faith  
Is just believing  
Others say it's self deceiving  
Inventing, childish dreams  
To get us through  
Deep inside me  
There's a yearning  
For true wisdom  
Not just learning  
I'd trade all my clever questions  
For one answer that is true  
I do believe  
You are the one  
The home I've longed to find  
My only hope  
God's only son  
I do believe  
I touch I see  
That all along  
You've longed to be  
My lord  
My god  
Lord you know, I need some answers  
Questions eat at me like cancer  
Make me once again, a simple child  
Help me take the risk of losing  
Lose it all to find in choosing  
To believe You are the answer  
Earth and heaven reconciled  
I do believe  
You are the one  
The home I've longed to find  
My only hope  
God's only son  
I do believe  
I touch I see  
That all along  
You've longed to be  
I do believe  
You are the one  
The home I've longed to find  
My only hope  
God's only son  
I do believe  
I touch, I see  
That all along You've longed to be  
My Lord  
My GOD  
My Lord  
My GOD
