## I'll Tell It Wherever I Go

## **Gaither Vocal Band**

I'll tell of the Savior I'll tell of His favor I'll tell it Lord, wherever I go

I'll count every blessing
I'll go on confessing
I'll tell it Lord, wherever I go

What He is to you Maybe you cannot see But this thing I know He's everything to me

Oh, He'll be there, meet me there Then go where He'll prepare I'll tell it Lord, wherever I go

And if I were dying With just one word to say I'd speak it for Jesus And breathe my life away

'Cause He'll be there, lead me there Then go where He's prepared I'll tell it Lord, wherever I go
