

# I'm Gonna Sing

Gaither Vocal Band

I'm gonna sing just as long as it takes for a song  
To make sad, heavy spirits free  
I'm gonna keep making music that carries the secret  
That Jesus is liberty  
I'm gonna turn off the sounds that would drag people down  
To the pit of despondency  
With the sweet happy tune  
He is coming soon  
For His children like you and me

It's a song that'll carry a message along  
Through the densest of foggy nights  
And a tune is the rope  
That can throw a man hope  
When he's going down for the third time  
It's a sweet melody that can cut your heart free  
From the chains of a past defeat  
You can suddenly see through the sweet harmony  
A path for your wand'ring feet

I'm gonna sing just as long as it takes for a song  
To make sad, heavy spirits free  
I'm gonna keep making music that carries the secret  
That Jesus is liberty  
I'm gonna turn off the sounds that would drag people down  
To the pit of despondency  
With the sweet happy tune  
He is coming soon  
For His children like you and me

Don't tell me the world is a hopeless old place  
And I might as well give in  
To the doom and gloom—life's a waiting room  
For the blow that'll do us all in  
I can't sympathize when before my eyes  
Is a hope shining as bright as day  
I gotta follow the song that keeps drawing me on  
With my feet dancing all the way

I'm gonna sing just as long as it takes for a song  
To make sad, heavy spirits free  
I'm gonna keep making music that carries the secret  
That Jesus is liberty  
I'm gonna turn off the sounds that would drag people down  
To the pit of despondency  
With the sweet happy tune  
He is coming soon  
For His children like you and me

Yeah, with the sweet happy tune  
He is coming soon  
For His children like you and me
