

# Let Freedom Ring

Gaither Vocal Band

Deep within the heart has always known that there was  
freedom

Somehow breathed into the very soul alive  
The prisoner, the powerless, the saved have always  
known it

There's something that keeps reaching for the sky

Even life begins because a baby fights for freedom  
And songs we love to sing have freedom's theme  
Some have walked through fire and flood to find a place  
of freedom

And some faced hell itself for freedom's dream

Let freedom ring wherever minds know what it means to  
be in chains

Let freedom ring wherever hearts know pain  
Let freedom echo through the lonely streets where  
prisons have no key

We can be free and we can sing --- let freedom ring

God built freedom into every fiber of creation  
And He meant for us to all be free and whole  
When my Lord bought freedom with the blood of His  
redemption

His cross stamped pardon on my very soul

I'll sing it out with every breath, I'll let the whole  
world hear it

This hallelujah anthem of the free  
That iron bars and heavy chains can never hold us  
captive

The Son has made us free and free indeed

Let freedom ring down through the ages from a hill  
called Calvary

Let freedom ring wherever hearts know pain  
Let freedom echo through the lonely streets where  
prisons have no key

You can be free and you can sing let freedom ring

Let freedom echo through the lonely streets where  
prisons have no key

You can be free and you can sing let freedom ring

You can be free and you can sing --- let freedom ring -  
-- let freedom ring
