Nothing To Say

Galactic Cowboys

Zero was a hotshot a dozen years ago So opinionated he'd give 'em all a show Heart attached to his sleeve by silverplated cords Million dollar moonbeams and billion dollar words

LATELY THERE'S BEEN NOTHING TO SAY SEEMS LIKE THERE'S NOTHING TO SAY WHY IS THERE NOTHING TO SAY?

No one paid attention to what he had to say
Doubt and apprehension, his loss was no one's gain
So he set his sights on money all that mattered was the green
'til all of the excitement had turned to apathy

LATELY THERE'S BEEN NOTHING TO SAY

Caught a glimpse of heaven like needles in the eye More than undeserving it begs the question, why?

NOTHING TO SAY
