

# Sleepers

Galahad

Hiding in the the Catacombs  
Lying low in the labyrinths  
Beneath the shattered city streets  
The sleepers lie in wait  
Taking improbable chances  
When opportunities arise  
Pitching wits against selected hits  
Never toeing olliciallines

Infiltrate, agitate, exacerbate, manipulate  
Eradicate, decimate, retaliate, annihilate

We will never surrender !

Men, Women and Children  
From every walk of life  
Using any means available with which to fight  
Proudly preserving the integrity of their nation  
'Vichy' France could never be our ultimate identity  
Never...

Invalidate, facilitate, emancipate, consolidate  
Identify, rectify, pacify, unify

Our spirit never shall be broken !

Watch out !  
Take cover !  
Someone's been talking  
They're on their way  
They're armed to the teeth  
Machine guns on motor bikes  
A Panzer division  
Crawling with soldiers in broad daylight  
No subtlety here  
Our daily injection of fear

I want you to search  
Every nook and cranny high and low  
To flush out these rebels and deal with them  
accordingly  
Quick return once again to the secret passages  
Candlelight in hand, Safe and Sound, Gone to Ground  
Keep the noise down... Sssh !  
Outmanoeuvred once again  
Ha ! ha ! ha ! ha ! ha ! hee ! hee ! hee ! hee ! hee !  
We will yet be free!  
Foiled again, foiled again  
You've been recalled again

Gabardines and Greatcoats  
Mingle in the shadows  
Animated figures, of dubious origins  
Loiter in the corners  
Looking for the fallers  
Stench of cigarettes hangs heavy in the air  
Stella slips slowly through nervous throats

Who is who ? Nobody knows  
Who is who ? Nobody knows

Informers, incognito  
Heroes and martyrs to be  
Shuffle, avoiding the enemy  
Everybody is under cover  
Everyone is wary of each other  
Who is who ? Nobody knows  
Who is who ?

Another pale moon rises  
Another blood red sun sets  
Another hard day gone  
Another nervous night to come  
Survival guaranteed  
At least until tomorrow  
Who knows what a new dawn will bring  
A New Era ?

All becomes clearer...  
In the end...
