

Firebird

Galantis

We started at the center,
Tear of dancing, hands in the wind
Restless, burning up a cigarette,
The boys are calling shotgun again!
Blood, hot, hurting like a hurricane
I hear the wind is trembling
Shake-shaking like a tambourine
Crawlers running into our skin!

Under the stars I'm awoken to the sound of a Firebird
Under the sky I'm half-naked, ooh oh oh oh
Under the stars I'm awoken to the sound of a Firebird
Under the sky I'm half-naked, ooh oh oh oh
Ooh oh oh oh
Ooh oh oh oh

Under the stars I'm awoken to the sound of a Firebird
Under the sky I'm half-naked, ooh oh oh oh
