In My Head

٩

Gasp for days but it's out of my hands When I wake up home, I'm ditching my prayers And when I close my eyes, I get lost in your face I'm gonna fall fall hard, no I don't give a damn

I wanna love out loud but I'm scared to say It's like a tonne of bricks that will fade away I do it for you I do it for you

Now you're in my head and it's out of my hands When you're in my thoughts I don't wanna pretend And I lose control with you But you're in my head, but you're in my head Do it for Do it for

Think I won't feel a thing if I give it some time But your love is a wave washing over my mind And I stare my world, now we can't hide Laying next to you, my heart is on fire

Now you're in my head and it's out of my hands When you're in my thoughts I don't wanna pretend And I lose control with you But you're in my head, but you're in my head Do it for Do it for Do it for Do it for
