

# Peanut Butter Jelly

Galantis

Sleepless nights at the château  
Visualize it  
I'll give you something to do

Kush kush wherever we go  
Visualize it  
I'll give you something to do

To get a wildfire burning  
Visualize it  
I'll give you something to do

Ace high, I'm going all in  
Visualize it  
I'll give you something to do

Spread it like peanut butter jelly  
Do it like I owe you some money (2x)  
Money, money, money...

Spread it like (2x)  
Visualize it  
I'll give you something to do  
Spread it like
