

## Tell Me

Galaxie 500

Tell me, one more time  
You like the shoes I wear  
Tell me, as you leave  
You really couldn't care

I bought all the drinks  
And I paid for your friends  
Jesus, can't you see  
I'm goin' 'round the bend?

Step into my shoes  
And see things as I do  
Step inside this house  
You know, I'd love you to

How come you can't see  
The things you left behind?  
How come you can't see  
I'm goin' 'round the bend?
