

# When Will You Come Home

Galaxie 500

When, when will you come home?  
Watchin t.v. all alone  
Watchin Kojak on my own  
Starin at the wall  
And waitin for your call  
When, when will you come home?

Now, I'm crawlin on the floor  
Makin noises like a dog  
Makin noises you can't hear  
Starin at the wall  
And waitin for your call  
When, when will you come home
