Searching for my angel
I know I must believe I'm not wrong
Wanna hear her voice with no hesitation
Just can't hear her voice
Searching for my angel
I know I'm sure now I'm not wrong
Wanna hear her voice with no hesitation
Still can't hear her voice

"Oh, please let me hear your voice", the angel of salvation
Wonder if she talks to me and holds my body certainly
"So, please let me hear your voice", the angel of salvation
Wonder if she takes on me Wonder if she gives her love to me
"Oh, please let me hear your voice", the angel of salvation
Wonder if she talks to me and holds my body certainly
"So, please let me hear your voice", the angel of salvation
Wonder if she takes on me Wonder if she gives her love to me
