## What A Piece Of Work Is Man

## **Galt Macdermot**

What a piece of work is man How noble in reason How infinite in faculties In form and moving How express and admirable In action how like an angel In apprehension how like a god The beauty of the world The paragon of animals

I have of late
But wherefore I know not
Lost all my mirth
This goodly frame
The earth
Seems to me a sterile promontory
This most excellent canopy
The air-- look you!
This brave o'erhanging firmament
This majestical roof
Fretted with golden fire
Why it appears no other thing to me
Than a foul and pestilent congregation
Of vapors

What a piece of work is man How noble in reason

How dare they try to end this beauty? How dare they try to end this beauty?

Walking in space
We find the purpose of peace
The beauty of life
You can no longer hide

Our eyes are open Our eyes are open Our eyes are open Our eyes are open Wide wide wide!
