

# Abyss of the Void

Gamma Ray

Now I must go  
I'll wait for you to follow  
No turning back  
But there's a light  
I've seen it all  
Riding through never fall  
When all is done  
We must be one  
I will return

The saviour is calling  
He's riding through the night  
The only, the holy  
Returning from the light  
We fall to the ground and we pray  
'Cause he's the only one  
No demons left in this world  
Since he has won  
Oh hear what I say...

All men come  
To see the king of the world  
The time has come for everyone  
The saviour stands for all of us  
Now praise the one who'll destroy  
The evil abyss of the void

His armour  
Still shining  
Though it's torn from fight  
The brave man, redeemer  
He brought us back to life  
Oh yes he did

Now fall to the ground and pray  
'Cause he will come  
No demons left in this world  
Since he has won  
Now, listen to what I say...

All men come  
To see the land of the free  
The time has come for everyone  
The saviour stands for all of us  
Now praise the one who'll destroy  
The evil abyss of the void

His armour, still shining  
Though it's torn from fight  
The brave man, he battled  
On through the night  
His eyes they were gleaming like fire  
And he's prepared he's the one  
The young man  
He raises his head  
Up to the land  
In the sun

Wherever my spirit may fly  
Up to this heavenly fight  
I know  
That I will return from a mission  
Beyond our skies - now

The saviour is calling  
He's riding through the night  
The only, the holy  
Returning from the light  
We fall to the ground and we pray  
'Cause he's the only one  
No demons left in this world  
Since he has won  
Oh hear what I say...

All men come  
To see the king of the world  
The time has come for everyone  
The saviour stands for all of us  
Now praise the one who'll destroy  
The evil abyss of the void
