

## Fairytale

Gamma Ray

Now my friend it's time for you  
To break the spell

Your heart was torn in two  
And somebody revealed the wall...

Now we stand together  
Our fight is to be free  
We never will surrender  
We ride across the fields

Now it's time to break the silence  
And the truth shall be revealed  
Take the question mark from your head...  
Let the fairytale be real  
Let the fairytale be real!
