

# Rebellion in Dreamland

Gamma Ray

Voices are calling from somewhere bellow  
melting on the eastern shore  
Rain is falling down on me,  
been waiting for eternity...  
I'll be there!  
Freedom for us all!

And I wonder why, why my heart still yearns  
and I wonder why, why the earth still turns  
and I wonder why, why the sky turns black  
Still I wonder why, but there is no turning back

For all eternity, for all the world to see  
we're riding high across the wind  
and when the storm begins, to wash away all sins  
we'll find a place where we'll begin

There's something wrong with the world today,  
only the people that are fighting for...  
...a better place in the world today,  
they don't believe that they gone too far,  
...they're falling down.

By moonlight there's a way... for rebellion  
here, the world has gone astray... revolution  
Now, the time has come to pray... hallelujah  
deep, inside our minds we wait... for rebellion  
Here in dreamland we will not obey the masters

... and the earth still turns but I'm on my way,  
he is on the way, as my heart still yearns  
... I'm on my way, now he is on the way,  
and I cry for more  
Yes I'm on my way, now he is on the way,  
gonna find the secret wall

I have seen the secret dreams  
of those who know eternity  
and makes me feel like a shadow sneaking in  
In my sleep I'm searching for a way to find  
the open door leading me to where it all begins

There's nothing wrong with the world today...

By moonlight there's a way... for rebellion  
here, the world has gone astray... revolution  
Now, the time has come to pray... hallelujah  
deep, inside our minds we wait... for rebellion  
Here in dreamland we will not obey the masters

SOLO: Kai

Now I'm riding through the air  
going to where no one dares  
on the way I'll cross the line forevermore.  
For once in life, I do not care  
nothing matters, now I dare

On the ride I'll cross the line  
forever to be free

Have no fear, Rebellion is here!
