

Start Running

Gamma Ray

Music: Wessel

Lyrics: Sheepers

Mankind has found every treasure on earth

It stands to reason that we have got all we need.

Comfort is now a condition of life,

Without any sources our dream will fade away.

To live a better way was our final aim-

Did we ever try?

Start running-

The moment of reason will somebody appear,

But then it's too late to return to stay,

No single person can change the truth,

We have to move forward and do it side by side.

To live a better day is our final aim

And we won't stop tryin

Chorus:

Start running - can't you see the hangmen are comin?

(repeat)

The things we have done to destroy our world are enough.

How long will the madness remain?

We're children of the warriors, we learn from our faults,

Hope is our guiding hand, conscience is our force.

Chorus.
