

## Glass Jar

You got  
You got  
I can't be you!  
I can't be you!  
I can't be you, little brother!  
I can't be you!  
I can't be you!  
I can't be you, like a mother!

I can't be you!  
I can't be you!  
I can't be you, little brother!
