

## It's Her Factory

Gang of Four

Items, daily press, views to suppress  
Subject, story on the front page suffering from suffrage  
Title, unsung heroine of Britain position to attain  
Housewife, heroines addicted to their homes

It's her factory, it's a factory  
It's her duty, it's her factory  
It's her factory, it's a factory

Paternalist, journalist  
He gives them sympathy because they're not men  
Scrubbing floors they're close to the earth

In a man's world, they're not men  
In a man's world, because they're not men  
In a man's world, because they're not men

In a man's world, because they're not men  
In a man's world, because they're not men  
In a man's world, in a man's world

A little of a lot, keeps them happy  
Avoid the answers, but keep them snappy  
That's all
