

It's Her Factory

Gang of Four

Items, daily press, views to suppress
Subject, story on the front page suffering from suffrage
Title, unsung heroine of Britain position to attain
Housewife, heroines addicted to their homes

It's her factory, it's a factory
It's her duty, it's her factory
It's her factory, it's a factory

Paternalist, journalist
He gives them sympathy because they're not men
Scrubbing floors they're close to the earth

In a man's world, they're not men
In a man's world, because they're not men
In a man's world, because they're not men

In a man's world, because they're not men
In a man's world, because they're not men
In a man's world, in a man's world

A little of a lot, keeps them happy
Avoid the answers, but keep them snappy
That's all
