## Gang of Four

(Can't make out what he is saying)  
Like you  
Like you

You don't know who I am  
You don't know where I come from  
From the soul of this land  
I am lost and you're soon gone

I don't want you to change  
I love you just as you are  
Don't go biting your nails  
Those little fingers work too hard

Looks like it's a day for night  
Shadows in the daylight  
I was born to waste some time  
And you're next in line

When you discover my name  
When you discover my name  
I'll tattoo it on your heart  
Tattoo it on your heart

Don't be shy like you are  
You don't want me to stay  
I'm drinking Lite at the bar  
A quiet guy in every way  
Looks like it's a day for night  
Shadows in the tail lights  
I was born to waste some time  
And you're next in line

When you discover my name  
When you discover my name  
I'll tattoo it on your heart  
Tattoo it on your heart

As the pictures fly  
Rushing by  
Will the teardrops dry  
On their eyes?

When you discover my name  
When you discover my name

When you discover my name  
I'll tattoo it on your heart  
When you discover my name  
I'll tattoo it on your heart  
When you find out my name  
I'll tattoo it on your heart  
When you find out my name  
I'll tattoo it on your heart

I'm no delinquent  
I'm an artist

I'm a collector  
Life into art  
You are my next work
