

## Why Theory?

Gang of Four

We've all got opinions.  
Where do they come from?  
Each day seems like a natural fact,  
And what we think changes how we act.

We've all got opinions.  
Where do they come from?  
Distant thunder from the east  
Won't disturb a morning car wash.

Each day seems like a natural fact,  
And what we think changes how we act.  
So to change ideas changes what we do.

Too much thinking makes me ill.  
I think I'll have another gin.  
A few more drinks and it'll be all right.

Each day seems like a natural fact,  
And what we think changes how we act.  
Each day seems like a natural fact.  
Each day seems like a natural fact.  
Each day seems like a natural fact.  
Each day seems like a natural fact.
