I say people people come on and check it out now You see the mic in my hand now watch me wreck it now what is a party if the crew ain't there? [what's your name?] call me Guru that's my man Premier now many attempts have been made to hold us back? slander the name and with-hold facts but I'm the type of brother with much more game I got a sure aim and if i find you're to blame you can bet you'll be exterminated, taken out, done it doesn't matter how many they'll go as easy as just one bust one round in the air for this here cuz this year suckers are going no where cuz my strret style and intelligence level makes me much more than just an angry rebel I'm Gifted Unlimited Rhymes Universal mc's that ain't equipped get flipped in my circle I'm aiming on raining on the bitch ass chumps cuz their rhymes don't flow and their beats don't pump and niggaz better know i paid my dues and shit I'm bout to blow the fuck up because I refuse to quit I'm out to get the props that are rightfullly mine yeah me and the crew think its about that time but on the DL you know that Gangstarr will conquer that's why you stare and point and others cling on to my nautica, asking for a hookup well sorry but my schedule is all booked up nobody put me on I made it up the hard way look out for my people but the suckers should parlay cuz it's business kid, this ain't no free for all you have to wait your turn, you must await your call so now, now it is my duty to eliminate and subtract all of the booty crews and suckers should vacate before I get irate and I'll kick your can from here to Japan with force you can't withstand cuz I'm the muthafuckin' man

yo right now I got my man Lil' Dap from the Group home yo step up to the mic and tell them why you're the man
