No matter what we face We must face the moment of truth baby

They say it's lonely at the top, in whatever you do You always gotta watch motherfuckers around you Nobody's invincible, no plan is foolproof We all must meet our moment of truth

The same sheisty cats that you hang with, and do your thang with Could set you up and wet you up, nigga peep the language It's universal, you play with fire it may hurt you Or burn you, lessons are blessings you should learn through Let's face facts, although mc's lace tracks It doesn't mean behind the scenes there ain't no dirt to trace back That goes for all of us, there ain't nobody to trust It's like sabotage, it's got me ready to bust But I can't jeopardize, what I have done up to this point So I'mma get more guys, to help me run the whole joint Cultivate, multiply, motivate, or else we'll die You know I be the master of the who, what, where and why See when you're shining, some chumps'll wanna dull ya Always selfish jealous punks, will wanna pull ya Down, just like some shellfish in a bucket Cause they love it, to see your ass squirm like a worm But just as you'll receive what is coming to you Everybody else is gonna get theirs too I ain't no saint, therefore I cannot dispute That everyone must meet their moment of truth

Actions have reactions, don't be quick to judge You may not know the hardships people don't speak of It's best to step back, and observe with couth For we all must meet our moment of truth

Sometimes you gotta dig deep, when problems come near Don't fear things get severe for everybody everywhere Why do bad things happen, to good people? Seems that life is just a constant war between good and evil The situation that I'm facin, is mad amazin To think such problems can arise from minor confrontations Now I'm contemplatin in my bedroom pacin Dark clouds over my head, my heart's racin Suicide? nah, I'm not a foolish guy Don't even feel like drinking, or even gettin high Cause all that's gonna do really, is accelerate The anxieties that I wish I could alleviate But wait, I've been through a whole lot of other shit, before So I oughta be able, to withstand some more But I'm sweating though, my eyes are turning red and yo I'm ready to lose my mind but instead I use my mind I put down the knife, and take the bullets out my nine My only crime, was that I'm too damn kind And now some scandalous motherfuckers wanna take what's mine But they can't take the respect, that I've earned in my lifetime And you know they'll never stop the furious force of my rhymes So like they say, every dog has its day And like they say, God works in a mysterious way

So I pray, remembering the days of my youth As I prepare to meet my moment of truth

"You shall know the truth and the truth shall set you free!"

Yo I got one lyric pointed at your head for start Another one, is pointed at your weak ass heart Now if I pull the trigger, on these fully loaded lines You're gonna wish I woulda pulled a black nine, I mack dimes Crack the spines of the fake gangsters Yeah the bitin triflin niggas, and the studio pranksters Yo lookin at the situation plainly: will you remain q? Or will you be looked upon strangely? I reign as the articulator, with the greater data Revolvin on the tascam much doper than my last jam While others struggle to juggle, tricky metaphors I explore more, to expose the core A lot of emcees, act stupid to me And we have yet to see, if they can match our longevity But anyway it's just another day Another fake jack I slay with my spectac' rap display Styles, smooth but rugged -- you can't push or shove it You dig it and you dug it cause like money you love it The king of monotone, with my own throne Righteously violent prone my words bring winds like cyclones Stormin your hideout, blockin out your sunlight Your image and your business, were truly not done right Throw up your he-allah-i now, divine saviors You got no hand skills there's no security to save ya No pager, no celly, no drop top benz-y I came to bring your phony hip-hop, to an ending My art of war will leave you sore from the abuse Cause you must meet your moment of truth

They say it's lonely at the top in whatever you do You always gotta watch motherfuckers around you No one is untouchable, no man is bulletproof We all must meet our moment of truth
