Peace Brother Elijah
Hey peace Guru, how you doin?
I'm maintainin
Just been thinkin though man
about the situation for today's youth man, the seeds man
What's your opinion on that?
Mmm that's strange I was thinkin the same thing
Somethin I read in the holy Qu'ran how it says
"Has thou seen him who belies religion?
That is one who is rough, to the orphan."
And no matter what we say our religion is
whether it's Islam, Christianity
Juddaism, Buddha-ism, Old School-ism or New School-ism
If we're not schooling the youth WITH wisdom
then the sins of the father will visit the children
And that's not keepin it real...
that's keepin it - WRONG

Now that we're gettin somewhere, you know we got to give back
For the youth is the future no doubt that's right and exact
Squeeze the juice out, of all the suckers power
And pour some back out, so as to water the flowers
This world is ours, that's why the demons are leary
It's our inheritance; this is my Robbin Hood Theory... Robbin Hood Theory

I seek Sun, deceive none, for each one must teach one
At least one must flow and show the structure, of freedom
It's me Dunn, cause petty things we don't need 'em
Let's focus to create somethin great, for all that sees them
They innocent, they know not what they face
while politicians save face genius minds lay to waste
If I wasn't kickin rhymes I'd be kickin down doors
Creatin social change and defendin the poor
The God's always been militant, and ready for war
We're gonna snatch up the ringleaders send em home in they drawers
But first where's the safe at? Let's make em show us
and tell em hurry up, give up the loot that they owe us
We bringin it back, around the way to our peeps
Cause times are way too deep, we know the Code of the Streets
Meet your defeat; this is my Robbin Hood Theory... my Robbin Hood Theory
