

# As Heaven Is Wide

Garbage

Nothing that you say will release you  
Nothing that you pray would forgive you  
Nothing's what your words mean to me  
Something that you did will destroy me  
Something that you said will stay with me  
Long after you're dead and gone

If flesh could crawl  
My skin would fall  
From off my bones  
And run away from here

As far from God  
As heaven is wide  
As far from God  
As angels can fly

If holy is as holy does  
This house will burn straight down to hell  
Take it's conscience with it  
As it falls

Nothing said could change the fact  
My trust was blind  
You broke the pact  
If God's my witness, God must be blind

If flesh could crawl  
My skin would fall  
From off my bones  
And run away from here

As far from God  
As heaven is wide  
As far from God  
As angels can fly

I wish, I wish  
I wish, I wish

Take it back I dare you take it back  
No you can't? You should have thought of that  
What's inside a man  
That goes so wrong

Choke on guilt that's far too good for you  
Say one word I'll laugh and bury you  
And leave you in the place  
Where you left me

If flesh could crawl  
My skin would fall  
From off my bones  
And run away from here

As far from God  
As heaven is wide

As far from God  
As angels can fly

I wish I could fly  
As angels can fly

I wish, I wish.
