## **Big Bright World**

We are difficult to understand It was hard to make this simple plan work Difficult, but that's what made it burn

You're a satellite around my heart One million miles before the start Indescribable, but that's what makes it you

Shivers up and down my spine Feet to the teeth Inside this big, bright world Inside this big, bright world Inside this big, bright world We rage against the dying Rage against the dying light

You're mysterious, you make no sense I love you cause you're innocent You fell out through a hole inside the sun

So magnify the best inside me Build the parts that you can't find me The parts that won't give out when things get hard

Shivers up and down my spine Feet to the teeth Inside this big, bright world Inside this big, bright world Inside this big, bright world

Round and around in the setting sun Round and around in the setting sun Round and around in the setting sun Round and around and around and around

Inside this big, bright world Inside this big, bright world Inside this big, bright world Rage against the dying Rage against the dying light

I'm with you I'm with you
