

# Can't Cry These Tears

Garbage

I just don't care anymore  
I've reached the end of the rope  
I just don't care anymore  
Won't cry these tears anymore

Can't find it in the bible  
Can't find it on t.v.  
Can't find it in diamonds  
There's something inside me that just went around it  
Can't find it in music  
Can't find it in my soul  
Can't find it in chocolate  
Oh babe I can't hide it  
I can't even fight it

I just don't care anymore  
I've reached the end of the rope  
I just don't care anymore  
Won't cry these tears anymore

There's no way she can kiss you the way that I do  
I heard that you miss me  
Oh you should be careful of whom you've been talking to  
Ten long nights without you have taught me to be strong  
I've cut all my losses  
Think no more about it because I couldn't fight it

I just don't care anymore  
I've reached the end of the rope  
I just don't care anymore  
Won't cry these tears anymore

There was a time I thought I'd die  
If you should ever leave me high and dry  
And you don't want me anymore  
It's time to settle the score

I just don't care anymore  
I've reached the end of my temper I'm tired of the letters  
I just don't care anymore  
Won't cry these tears anymore  
I just don't care anymore  
I've reached the end of my rope and it's time that I've taught you so

I just don't care anymore  
Won't cry these tears anymore

It's time to settle the score
