You can look, but you can't touch I don't think I like you much Heaven knows what a girl can do Heaven knows what you've got to prove

I think I'm paranoid And complicated I think I'm paranoid Manipulate it

Bend me, break me anyway you need me All I want is you Bend me, break me, breaking down is easy All I want is you

I fall down just to give you a thrill Prop me up with another pill If I should fail, if I should fold I nailed my faith to the sticking pole

I think I'm paranoid Manipulate it I think I'm paranoid And complicated

Bend me, break me anyway you need me All I want is you Bend me, break me, breaking down is easy All I want is you

Paranoid
I think I'm paranoid

Bend me, break me anyway you need me All I want is you Bend me, break me, breaking down is easy All I want is you

Steal me, deal me, anyway you heal me Maim me, tame me, you can never change me Love me, like me, come ahead and fight me Please me, tease me, go ahead and leave me

Bend me, break me anyway you need me As long as I want you, baby, it's alright Bend me, break me any way you need me As long as I want you, baby, it's alright
