## Garbage

Kaboom

Get it right, get it right now

Get it right, do it good

Get it right now

Oh let's bomb that factory

That makes all the wannabes

Let's burst all the bubbles

That brainwash the masses

As far as I can tell it doesn't matter who you are

If you can believe there's something worth fighting for

The color of an eye, the glory of a sudden view

The baby in your arms, the smile he always shoots at you

Believing in nothing

Makes life so boring

So let's pray for something

To feel good in the morning

As far as I can tell it doesn't matter who you are

If you can believe there's something worth fighting for

The color of an eye, the glory of a sudden view

The baby in your arms, the smile he always shoots at you

Kaboom

Get it right, get it right now

Get it right, do it good

Get it right now

Kaboom

Get it right, get it right now

Get it right, do it good

Get it right now

Kaboom

Get it right, get it right now

Get it right, do it good

Get it right now

Kaboom

Get it right, get it right now

Get it right, do it good

Get it right now

Kaboom

Get it right, get it right now

Get it right, do it good

Get it right now

Kaboom

Get it right, get it right now

Get it right, do it good

Get it right now

Kaboom

Get it right, get it right now

Get it right, do it good  
Get it right now

Oh doctor we're dying  
There's no use in crying  
So live for tomorrow  
And do what you have to

As far as I can tell it doesn't matter who you are  
If you can believe there's something worth fighting for  
The color of an eye, the glory of a sudden view  
The baby in your arms, the smile he always shoots at you

Electric  
For something  
To feel good in the morning  
In the morning

In the morning  
In the morning  
In the morning
