## Garbage

Kaboom  
Get it right, get it right now  
Get it right, do it good  
Get it right now

Oh let's bomb that factory  
That makes all the wannabes  
Let's burst all the bubbles  
That brainwash the masses

As far as I can tell it doesn't matter who you are  
If you can believe there's something worth fighting for  
The color of an eye, the glory of a sudden view  
The baby in your arms, the smile he always shoots at you

Believing in nothing  
Makes life so boring  
So let's pray for something  
To feel good in the morning

As far as I can tell it doesn't matter who you are  
If you can believe there's something worth fighting for  
The color of an eye, the glory of a sudden view  
The baby in your arms, the smile he always shoots at you

Kaboom  
Get it right, get it right now  
Get it right, do it good  
Get it right now

Kaboom  
Get it right, get it right now  
Get it right, do it good  
Get it right now

Kaboom  
Get it right, get it right now  
Get it right, do it good  
Get it right now

Kaboom  
Get it right, get it right now  
Get it right, do it good  
Get it right now

Kaboom  
Get it right, get it right now  
Get it right, do it good  
Get it right now

Kaboom  
Get it right, get it right now  
Get it right, do it good  
Get it right now

Kaboom  
Get it right, get it right now

Get it right, do it good  
Get it right now

Oh doctor we're dying  
There's no use in crying  
So live for tomorrow  
And do what you have to

As far as I can tell it doesn't matter who you are  
If you can believe there's something worth fighting for  
The color of an eye, the glory of a sudden view  
The baby in your arms, the smile he always shoots at you

Electric  
For something  
To feel good in the morning  
In the morning

In the morning  
In the morning  
In the morning

...
