

Push It

Garbage

I was angry when I met you
I think I'm angry still
We can try to talk it over
If you say you'll help me out

Don't worry baby (don't worry baby)
No need to fight
Don't worry baby (don't worry baby)
We'll be alright

This is the noise that keeps me awake
My head explodes and my body aches
Push it, make the beats go harder
Push it, make the beats go harder

I'm sorry that I hurt you
Please don't ask me why
I want to see you happy
I want to see you shine

Don't worry baby (don't worry baby)
Don't be uptight
Don't worry baby (don't worry baby)
We'll stay up all night

C'mon push it, you can do it
C'mon prove it, nothing to it
C'mon use it, let's get through it
C'mon push it, you can do it

Don't worry baby (don't worry baby)
Don't be uptight
Don't worry baby (don't worry baby)
We'll stay up all night

Don't worry baby
We'll be alright
Don't worry baby
We'll be alright
(3x)

Push it
Push it
Push it
Push it
Push it.
