

## Sex Is Not the Enemy

Garbage

No evolution  
Sometimes it depresses me  
The same old same  
We keep repeating history  
The institution curses curiosity  
It's our conviction  
Sex is not the enemy

A revolution  
Is the solution  
A revolution  
Is the solution

I won't feel guilty  
No matter what they're telling me  
I won't feel dirty and buy into their misery  
I won't be shamed cause I believe that love is free  
It fuels the heart and sex is not the enemy

A revolution  
Is the solution  
A revolution  
Is the solution

True love is like gold  
There's not enough to go around  
But then there's god and doesn't god love everyone?  
Give me a choice  
Give me a chance to turn the key and find my voice  
Sex is not the enemy

A revolution  
Is the solution  
A revolution  
Is the solution  
Sex is not the enemy  
A revolution
