

I can't use what I can't abuse  
And I can't stop when it comes to you

You burned me out but I'm back at your door  
Like Joan of Arc coming back for more

I nearly died  
I nearly died  
I nearly died

I came to cut you up  
I came to knock you down  
I came around to tear your little world apart  
I came to shut you up  
I came to drag you down  
I came around to tear your little world apart  
And break your soul apart

You burn and burn to get under my skin  
You've gone too far now I won't give in  
You crucified me but I'm back in your bed  
Like Jesus Christ coming from the dead

I nearly died  
I nearly died  
I nearly died

I came to knock you up  
I came to cut you down  
I came around to tear your little world apart  
I came to rip you up  
I came to shut you down  
I came around to tear your little world apart  
And break your soul apart

I nearly died  
I nearly died  
I nearly died

I came to cut you up  
I came to knock you down  
I came around to tear your little world apart  
I came to shut you up  
I came to suck you down  
I came around to tear your little world apart  
Tear your little world apart  
Tear your little world apart  
And break your soul apart

I can't stop when it comes to you  
I can't stop when it comes to you  
When it comes to you  
When it comes to you.
