I can't use what I can't abuse And I can't stop when it comes to you You burned me out but I'm back at your door Like Joan of Arc coming back for more I nearly died I nearly died I nearly died I came to cut you up I came to knock you down I came around to tear your little world apart I cam to shut you up I came to drag you down I came around to tear your little world apart And break your soul apart You burn and burn to get under my skin You've gone too far now I won't give in You crucified me but I'm back in your bed Like Jesus Christ coming from the dead I nearly died I nearly died I nearly died I came to knock you up I came to cut you down I came around to tear your little world apart I came to rip you up I came to shut you down I came around to tear your little world apart And break your soul apart I nearly died I nearly died I nearly died I came to cut you up I came to knock you down I came around to tear your little world apart I came to shut you up I came to suck you down I came around to tear your little world apart Tear your little world apart Tear your little world apart And break your soul apart I can't stop when it comes to you I can't stop when it comes to you

When it comes to you When it comes to you.
