

When I Grow Up

Garbage

Cut my tongue out
I've been caught out
Like a giant juggernaut
Happy hours
Golden showers
On a cruise to freak you out

We could fly a helicopter
Nothing left to talk about
Entertain you
Celebrate you
I'll be back to frame you

When I grow up
I'll be stable
When I grow up
I'll turn the tables

Trying hard to fit among you
Floating out to wonderland
Unprotected
God I'm pregnant
Damn the consequences

Blood and blisters
On my fingers
Chaos rules when we're apart
Watch my temper
I go mental
I'll try to be gentle

When I grow up
When I grow up
When I grow up
I'll turn the tables

Don't take offense
Better make amends
Rip it all to shreds and let it go

I rip it all to shreds and let it go
I rip it all to shreds and let it go
I rip it all to shreds and let it go.
