

# I Could Be Stronger (But Only for You)

Gareth Emery

I know I had an attitude  
I was trying to be better for you  
It kept my head above the water  
From drowning in a river of blues

I am burning out on empathy  
I am finding it hard to believe  
That everything I got to do  
I am always running back to you

I could be better  
I could be stronger  
But only for you  
Sooner or later  
I will be someone  
But only for you

She slowly does it  
Throws everything away  
Put out the fire  
Go easy on my pain

I am hopelessly lonely  
I have been burning out for days  
I am slowly learning  
I have loved you  
In every way

I know I promised better things  
I never thought you were leave  
I understand that time is on our side  
And I hope you can breathe

I could be better  
I could be stronger  
But only for you  
Sooner or later  
I will be someone  
But only for you

She slowly does it  
Throws everything away  
Put out the fire  
Go easy on my pain

I am hopelessly lonely  
I have been burning out for days  
I am slowly learning  
I have loved you  
In every way

I could be better  
I could be stronger  
But only for you
