

Darkness

Gareth Gates

Ah
oh yer yer
Ah
oh yer yer

I just can't let go
In the dark
In the dark

Makes me wanna
Run away
Run away
Oo Oo
Yer

Darkness
I'm here
I'm waiting for you to come out
yerrrr

Darkness
I can feel it coming
Darkness
And my heart is jumping
I'm ready now
For you to come out

Waiting
Waiting
Yer
Come on
Come on
Lets do it

Oh yer
It's getting dark
Yer
It's getting to darrrrrk
